why our customers love us!

We've always got your health in mind, which is why we've cut out hydrogenated fats from all our meals and desserts. We've also reduced the amount of salt we use and taken care to remove any unnecessary additives.

Your wellbeing means a lot to us

We know that you care about the quality of the food you eat, which is why you can count on us to keep a close eye on our ingredients.

At Wiltshire Farm Foods, we pride ourselves on a range of meals which are nutritious, full of flavour and with carefully controlled levels of salt, sugar and fat. Also, everything you'll find in this brochure is free from artificial colours and flavours.
